Mind your Manners!

This is for dogs that are past puppyhood but not yet adults....
the doggy version of a pushy teenager!

This is also for older dogs or the newly adopted family dog that need
help with fitting into the family environment.

If your dog already knows the basics of sit, down, come when called,
BUT can't do those things reliably, this is the class to take.

Topics we will cover include:

- 1. Establishing Leadership**
- 2. Loose Leash Walking – Leaders are in the Lead!**
- 3. Polite Greetings**
- 4. Appropriate Play**
- 5. Come When Called**
- 6. It's Your Choice!**

We will address the most important behavior issues that are happening in
your home... from resource guarding to doorbell manners and more!
You will get practical solutions to re-train and re-direct the undesirable
behavior into something you want your dog to do.
