Mind your Manners!

This class is perfect for dogs that have been recently adopted and need help with fitting into their new family environment.

This is also a great class for dogs that are past puppyhood but not yet adults....the doggy version of a pushy teenager!

You tell us what problems you are having and we will help you with sound training advice to help establish your leadership in the home.

Some of the things we will cover include:

- Interactive games and appropriate play
- Loose leash walking - taking it outside
- Food bowl manners (resource guarding)
- Grooming tips and tricks (how to accept handling)
- Doorbell and doorway manners
- Polite greetings – Meets and Greets of dogs and people
