## Getting Started in Agility Is Easy As 1-2-3!

The focus of this program, which is three classes, will be creating a new level of teamwork, building a rock solid foundation of dog and human skills and establishing reliability around obstacles.

Starting with building confidence, and then learning how to “drive” your canine partner with speed and energy, all while maintaining focus. You will be able

to go on to the Beginner Agility class upon completion of the Foundation Program.
