## For the Life of Your Dog!

This C.L.A.S.S.® is about teaching your dog real-life practical skills, such as walking nicely on a leash, settle, meeting strangers, table manners, attention, come when called, and a whole lot more! By teaching those skills, your dog can become a well-behaved member of your household and a welcome part of society. AND you can earn your dog's first title – the last week of class will be an evaluation with the opportunity to receive a certification of earning your dog's Bachelor's degree from the APDT (Association of Pet Dog Trainers)!!!

It's a FUN way to learn and rewarding for both you AND your dog!!!
