## K9Noseworks

You will be learning how to teach your dog the skills needed to hunt for specific scents, and to prepare for the Odor Recognition Test.

### Requirements for Introduction to Odor

- Your dog sees a group of boxes, and knows the nose game is on!
- Your dog has experienced 5 different locations of varying environment types (i.e. living room other than the dog's, a friend's house, park like area, office, training center, etc.)
- Your dog will search many objects, not just boxes, to find his reward
- Your dog has built stamina to do several searches and maintain focus and energy
- You know what motivates your dog and over-rides distractions in the environment
- You've practiced and built on the foundation skills to keep your dog successful
- You need to have participated in 12 weeks of a K9Noseworks class at this training center, or from any other facility.
