

**Introducing NEW to Hightails Hideaway!!  
Wiggles-n-Wags Dog Training Inc.**

## ***Puppy 1 class***

**for puppies 8-16 weeks old**

- 🐾 **Your puppy should be exposed to lots and lots of new people, dogs, situations, and places before 16 weeks old. After 16 weeks it is much harder to socialize puppy to new things.**
- 🐾 **Don't wait until your pup is 6 months old to train. Start now to prevent behavior problems and help your puppy become a well adjusted dog who can handle any situation.**

In class we will teach puppy basic obedience cues (sit, down, come, stay etc) as well as socialization (handling, off leash play, meeting people, different surfaces etc.) cover problem behaviors like potty training, biting/nipping, chewing, jumping up, ...and more.

We do the AKC Star Puppy program

**Our next class starts  
Sat Feb 11<sup>th</sup> at 9:30 am**

Classes are 6 weeks and \$130
